ORDER:

In the reference 1st read above, Government have accorded permission to M/s. Divi's Laboratories Limited for extraction of 0.50 MGD of ground water from the alluvium of Gosthani River near Tagarapuvalasa Bridge river bed zone for consumptive use for setting up of Bulk Drug manufacturing unit subject to terms and conditions mentioned therein.

2. In the reference 2nd read above, the Engineer-in-Chief(Irrigation), Hyderabad has stated that the Director, Ground water Department has furnished a detailed report on groundwater investigations carried out for M/s. Divi's Laboratories Ltd., to locate a feasible groundwater structure along Gosthani river bed at Routhulapalem (V), Padmanabham (M) in Visakhapatnam District. The details are [1] the requirement of firm is 900 KLD: [2] The groundwater resource estimated in the study area is 50 ha.m. [3] the existing draft is 25.12 ha.m. and balance available is 24.48 ha.m. and recommended 2 [two] filter points with an expected yield of 20,000 Lph. each with 5 hours of pumping. The yield recommendations will be 200 KLD. The Engineer-in-Chief(Irrigation) has requested the Government for permission to draw the water.

3. Government after careful examination, hereby accord permission for drawl of 200 KLD of water for a period up to the end of the existing agreement period that was already concluded by the industry based on the G.O.Ms.No.1337, dated:12.09.2005 by the firm, under consumptive use with usual terms and conditions along with ground water department terms and conditions, rules regarding royalty and also obtaining the concurrence of District Collector, Visakhapatnam and the prior clearance of Pollution Control Board, A.P., Hyderabad.

4. In addition to the conditions already prescribed, the other terms and conditions including water rates for royalty that are applicable from time to time as fixed by the Government shall be scrupulously followed.

P.T.O.,

:: 2 ::

5. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.
